Floorplan for illustration purposes only. Prices, plans and specifications are subject to change without notice. Stated dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls and in fact vary from the dimensions that would be determined by using the description and definition of the "Unit Boundaries" set forth in the Declaration of Condominium (which generally only includes the interior airspace between the perimeter walls and excludes interior structural components). All dimensions are approximate and may vary. All floor plans and development plans are subject to change. Developer reserves the right to make changes without prior notice.
